A monthly newsletter for
The Gypsy Tolerers

Hello Gypsies!

What a beautiful fall season we have had already! Our leaves at my house are changing already and the nights have cooled off!

Gypsy members have voted to become independent of SDP and your Board has started the process. We will continue as usual and other than not paying SDP dues, all things will be pretty much as it has been. Thank you to all who took the time to send in your vote.

Be sure to contact Carol to sign up for this month's super cute project with Tami Carmody if you have not yet done so.

Meanwhile, stay healthy and happy!

Education Hints from...:

Bonnie Dominguez

1. When attempting to get a soft side load, put the pressure on the “clean” side of the brush...that will keep the sideload soft!
2. The lower the eyes are on a character, the more child-like they become.
3. If you don't have palette paper, simply take a section of wax paper, tape it down where your palette paper would be...and paint!
4. Mix Champagne Gold with any color (50/50) if you want an extra sheen—particularly nice on holiday pieces.
5. If putting glitter all over front of signs...DO NOT VARNISH! Seal with DecoPage and fairy dust the glitter on...the DecoPage will hold it in place!
