Happy Holidays Gypsy Tolerers!

Can you believe we are in our final month of 2022 already? What a year this has been for the tole world too! Lots of changes, some good some not so great but we have had a marvelous year and I am so happy about that! Thank you to all of you who were such a big part in making this year wonderful! I am the luckiest or most blessed President of a club with the board and members I have had this past year! Saying thank you just doesn't seem like enough for the support and love you have shown our group.

Looking forward to seeing all of you at our Christmas party/seminar with Lisbeth Stull this weekend. Patti, Carolyn and their helpers have worked so hard on this event and I know you are going to love it!

Carol is working on scheduling programs for 2023 and we will continue to be both in person and on zoom throughout the year.

May you all have the most wonderful holiday season with friends and family!

Merry Christmas!

Heidi

Surprise! The holiday season is here. At least that is the way it seems. And with that the Gypsy Christmas Party. This year it is going to be a day full of fun, eating, painting, and of course raffle prizes.

With donations from many of you, and a trip to the Gypsy storage unit, I have come up with a good selection of prizes. We are going to try a new ticketing system that I hope will make it easier to locate your number, since so many of you purchase so many tickets. There will also be a “mystery prize”. You are going to want to take a chance on this one. Remember the raffles are a fun way to support your club.

I am looking forward to seeing those of you who will be at the party. A great way to close out what has been a super fun Gypsy year.

Happy Holidays to all of you Gypsy members and your families. Carm

PS: if you have anything you would like to donate for the raffle, you can drop it off at O’Flannerys!!

PROGRAMS

Many thanks to our outstanding 2022 teachers - **Heidi Allison, Jeannetta Cimo, Sue Clark, Liz Vigliotto, Janet Mitchell, Bobbi Campbell, Judy Coates, Tami Carmody, and Deb Ramo.** We so appreciate your willingness to share your love of painting and the many special techniques you've perfected in your own painting. I, for one, leave each program with something new that I've learned to make me a better painter.

A BIG shout out, too, to our members and friends who joined us for each program. You are the ones who make our events a success. You are appreciated!

Watch for upcoming announcements about our 2023 Programs and Teachers. They will be coming soon!

Education Hints from...:

Bonnie Dominguez

1. Put a dot of liquid glass on your palette, and take a dot on a stylus and dot onto your piece where you want a crystal. Pick up a crystal and place it on top.
2. Check out ArtGlitter.com
3. Use DecoArt Matte Medium as a “Resist”. Lay down a stencil and apply matte medium on with a stencil brush. Let it completely dry. The matte medium will resist where the paint goes. Paint...and wipe away paint with a dry paper towel. If you want to soften more—wipe off with a baby wipe...what is left is a very cool effect.
4. To create a “rusty” background, just remember to “hammer and burn it”! Stipple with hammered iron, burnt umber and burnt sienna.
5. Use Murphy’s Oil Soap to clean brushes...especially if they have dried paint in the feral.
